

ROOMS AND APARTMENT DESCRIPTION

Fuoco Room

Connected to the beginning of summer and its heat.

It releases energy starting from the red of the floor and the Arab suggestions of the bathroom.

Double or twin room with two additional beds.

Metallo Room

Connected to autumn.

The harmony of its circular shapes and its metallic tones generate warm and energetic comfort.

Double or twin room with additional bed and disabled accessibility.

Legno Room

Connected to spring.

Its green and blue tones create a very natural and regenerating environment.

Double or twin room with additional bed.

Terra Apartment

Connected to summer and fertility.

It expresses the energy of the earth, with its ochre and yellow-orange colors.

Apartment with kitchenette, living room and a maximum of 5 beds.
