

## ROOMS AND SUITES DESCRIPTION

For large groups, families or groups of friends, Tenuta Valdorso can also be booked for exclusive use.

### **Smeraldo Room**

La camera smeraldo è una camera matrimoniale standard di circa venti metri quadri, perfetta per chi cerca ospitalità ad Acqui Terme. Presenta un arredamento moderno e raffinato ed è dotata di pavimenti in bamboo. Due ampie vetrate donano grande luminosità alla stanza.

### **Superior Room Rubino**

The Rubino superior double room has a size of about twenty five square meters and inside it has modern and refined furnishings with bamboo floors. A large window allows you to enjoy the view of the surrounding hills. The bathroom has the particularity of having a separate area from that dedicated to sanitary ware. This consists of a large shower which, through a glass door, looks directly onto the bedroom's double bed.

### **Superior Room Ambra**

The Ambra superior room is located in the oldest part of the estate. It has a size of about twenty eight square meters and is characterized by classic furnishings with a modern twist. This guarantees great charm and refinement.

### **Superior Room Perla**

The Perla room is located in the oldest part of the estate. It has a size of about twenty-eight square meters and is characterized by classic furnishings with a modern twist that guarantee great charm and refinement.

### **Junior Suite Onice**

The Onice room is a junior suite of about thirty square meters with modern and refined furnishings with bamboo floors, a large window and the ceiling with exposed beams.

### **Junior Suite Ametista**

The Ametista room is a junior suite of about thirty square meters.

The furniture is modern and refined with bamboo floors, a large window and the ceiling with exposed beams.

### **Junior Suite Lapislazzuli**

The Lapislazzuli room is a Junior Suite of about thirty square meters. The furniture is modern and refined with bamboo floors, a large window and the ceiling with exposed beams. It also has a small terrace. The bathroom has the particularity of having a shower with a splendid window overlooking the surrounding landscape which makes every moment of relaxation magical.

### **Suite Diamante**

The Diamante suite is the most romantic room on the estate, the perfect one for a romantic holiday. It is a suite of about forty square meters furnished in a modern and original style. Bamboo floors, a comfortable round bed positioned in the center of the room and two large sliding windows give the room a unique brightness amplified by the beamed roof. The bathroom, also modern, offers a sink area and a large shower overlooking the bedroom, an area with separate toilets and a comfortable private sauna.

### **Family Suite**

The AMBRA room combined with the PERLA room can be booked as the only Family Suite with 6 beds for a total of about seventy square meters. The Family Suite solution therefore consists of 2 bedrooms, 2 bathrooms and a common sitting area with a double sofa bed.
