

ROOMS DESCRIPTION

We have 5 bedrooms for a total of 10/12 beds, 5 bathrooms, two rooms, use of kitchen, garden and barbecue. The country house originates from a rustic recently renovated with taste and love for ancient traditions. Ecological materials (stone, terracotta, wood) have been used with great balance, obtaining five beautiful bedrooms, each featuring a complete private bathroom with shower. Everything is finely furnished with personalized furniture for each room. Each room has a beautiful panoramic view of the plain at the foot of Monte Grappa, private bathroom, independent heating and air conditioning.
